## COMPANY PROFILE

SALLY TECHNOLOGY CO.,LTD is one of the world's leading shower enclosure manufacturers. With over 20 years' experience in this industry, many of our products have design patent and offer customers a whole package solution for bathroom.

The factory is located in Nanlang Industrial Park, Nanlang Town, Zhongshan City, Guangdong province with convenient transportation. Certified by ISO 9001, ISO14001, OHSAS18001, We have 13 production lines, including 30 sets of advanced technological machines and more than 20 sets of test equipment by which ensure an annual output of 500,000 sets per year in 40,000 square meters factory site.

As the leading manufacturer in the shower enclosure industry, we stress on the superior quality as the basic principal to enhance the competitive advantages. Our clients range from world famous brand sales agencies, large distributors, huge projectors, reliable importers in more than 30 countries and regions of Europe, America, Africa, and Southeast Asia. Our oversea branches in America, UK, Germany etc have their own warehouse which can assist client for after-sales service efficiently as well.

Sally, devotes to be the leading enterprise in shower industry with profound influence worldwide. Choose us, enjoy your bath time!

President: 刘凤祥

# SALLY DESIGNER TEAM

Sally Designer Team, with more than 10 years' experiences in exploring the best shower experience, devote to the most elegant design for the shower enclosures with best quality, which represent the spirit of Sally brand. All the team member have great passion for technology and materials. In the development of new shower enclosure and other products, the expectations of the designer are met by the experience and precision of modellers, product developers and engineers. With the whole team's effort, SALLY has been honored with a lot of design awards.

# GLASS TECH

## RAW GLASS WE CHOOSE

There are different kinds of shower glass in the market, but SALLY only choose the best, from RAW GLASS to TEMPERED GLASS, to make sure all the shower doors are safer and better appearance in your bathroom. Some of our products even use the ultra clear glass to reach the luxury standard. And all glass is approved by international certification.

## EASY CLEAN COATING

All SALLY's shower products could have the EASY CLEAN COATING. We recommend this glass finish tech on your new shower enclosure, all the coating process has been finished in the factory before package with the modern machinery equipment. Long-term tests show that with this coating you are able to clean your shower enclosure quickly.
