## FACTORY INTRODUCTION

The factory is Located in Nanlang Industrial Park, Nanlang Town, Zhongshan City, Guangdong province with convenient transportation.

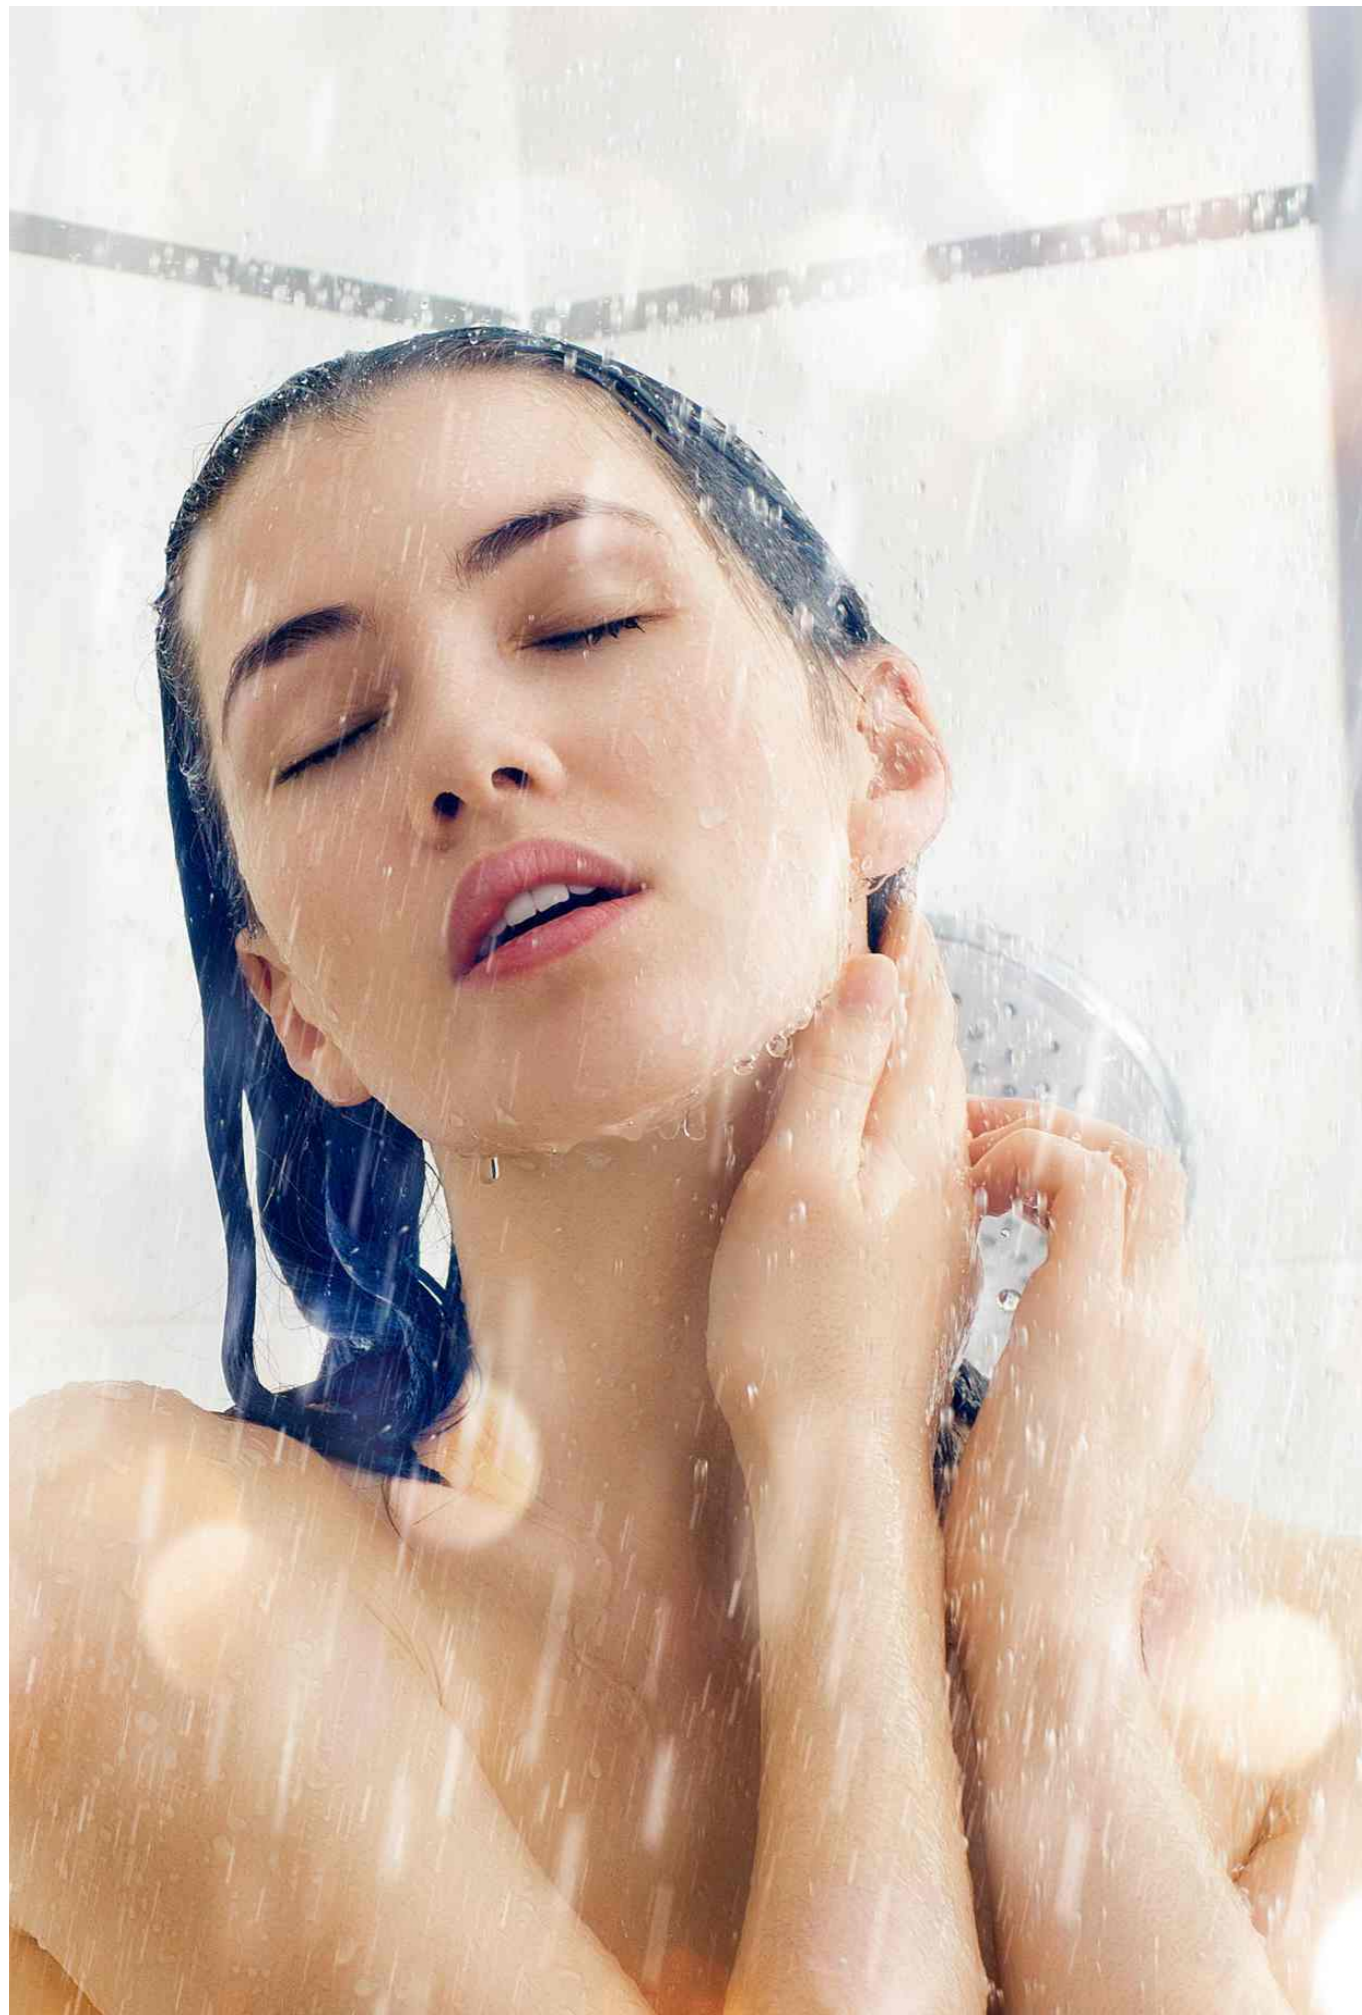

Certified by ISO 9001, We have 13 production lines, including 300 sets of the advanced technological machines and more than 30 sets of experimental testament facilities by which ensure an annual output of 500,000 sets per year in 40,000 square meters factory site.

As the leading manufacturer in the shower enclosure industry, we stress on the superior quality as the basic principal to enhance the competitive advantages. Our clients range from world famous brand sales agencies, large distributors, huge projectors, reliable importers in more than 30 countries and regions of Europe, America, Africa, and Southeast Asia. Our oversea branches in America, UK, Germany etc have their own warehouse which can assist client for after-sales service efficiently as well.

Sally,devotes to be the leading enterprise in shower industrty with profound influence worldwide.

Toughened glass

Yes

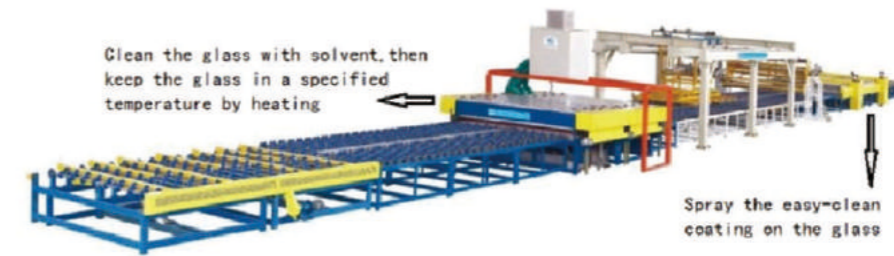

Common glass

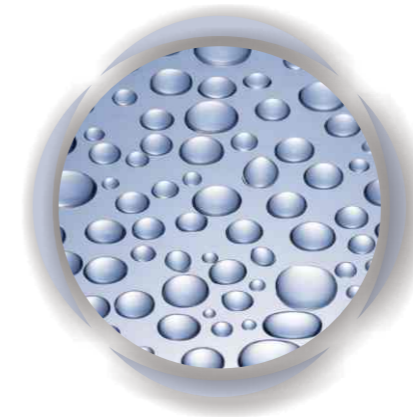

No

We only used TEMPERED GLASS for all no sharp edges, won't cause harm to human body.

EASY-CLEAN COATING INTRODUCTION

Self clean function

When the glass with our EASY-CLEAN COATING, the shower water will not adsorption on the glass, avoid dirty and mouldy.
